

EQUIP YOUR STUDENTS WITH THE TOOLS TO STAY EMOTIONALLY WELL IN SCHOOL

StrongMind SEL for K-12 is a flexible digital solution for any school setting — in-person, online, or a combination of both. Hundreds of bite-sized, Digital Promise-certified modules engage and empower students to stay well in school, improving overall academic achievement. Teachers can easily personalize and incorporate the learning into ongoing class activities.

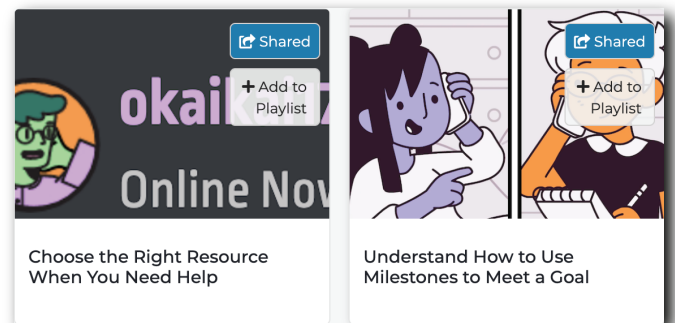

ENCOURAGE STUDENTS' SOCIAL EMOTIONAL GROWTH

- Flexible, bite-sized lessons
- Current, relevant content designed for today's students
- Explore topics of personal interest
- Dashboards for self-tracking SEL growth

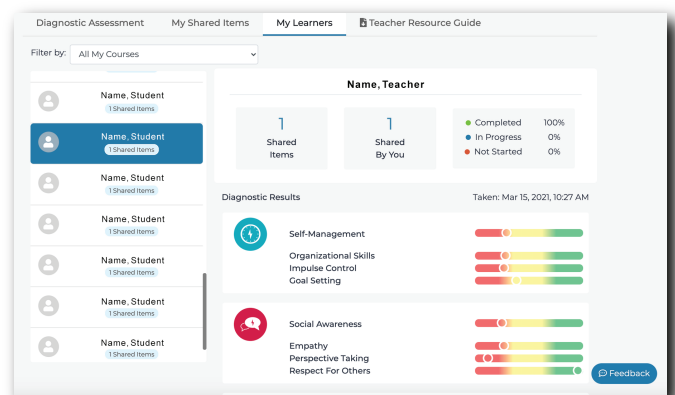

EMPOWER TEACHERS WITH TOOLS TO DRIVE PERSONALIZATION

- Easy to assign lessons to a class, a small group, or individual students
- Use our playlists or build your own
- Dashboards for real-time insight into student progress
- Easy to implement with SSO and Rostering from Clever

ELEVATE YOUR SCHOOL WITH RESEARCH-BASED DESIGN

- Flexible strategies to promote student agency and teacher decision-making
- Personalized learning through teacher assignments or learner exploration
- Immediate, meaningful formative feedback that motivates learners
- Student surveys for initial measures and tracking SEL growth
